

DRAGONFEST OF COLORADO

JULY 30-AUGUST 3

Celebrating our 40th Retreat!

Dragonfest is a large, regional, neopagan spiritual retreat held in the mountains of Colorado each August. People of all religions and spiritual traditions are welcome at Dragonfest, but workshops and rituals focus on various Neopagan, Wiccan, and other Earth-based spiritual practices.

Dragonfest needs volunteers!

We're looking for event staff, merchants and facilitators for workshops and rituals. Event staff receive a discount on retreat registration!
